INSTRUCTIONS:

The scholarship award criteria during 1 January 2014 – 31 December 2017:

2,000 euro scholarship

for completing the doctoral degree, provided that the following conditions are fulfilled: The theoretical studies were completed according to the confirmed study plan and the pre-examiners were appointed (the date of the Doctoral Programme Committee meeting) in no more than eight full semesters from the date the study right was granted.

or

for completing the doctoral degree, provided the degree was earned by the end of the calendar year the doctoral candidate turns 30.

The schools shall award scholarships based on the application made by the doctoral candidate. The application has to be submitted within six months from when the scholarship criteria were met.

The time spent on maternity and parental leave as well as national military or non-military service completed (documents required) may be excluded from the calculated duration of study. However, if the scholarship is age-related no deduction is granted.

Please submit the application form to the office of the doctoral programme, where the details of your studies and degrees will be checked and certified as true.
